

We, the teachers and leaders of Academic Achievers, pledge to...

...**re***a***in** true to our mission of ensuring young people learn how to become self-sufficient in society by helping students reach their academic goals

...**C**ontinue to guide students by using different instructional styles and methods that will aide student progression

...**h**elp bridge the gap to those who traditionally do not fit into the upper echelon of academia

...**ut***i***lize** various dimensions and approaches to reach students and increase their self-esteem

...**d***e***monstrate** care and concern for each student, respecting, and appreciating their differences and cultures

...**pro***v***ide** a safe and positive atmosphere that encourages and motivates learning

...**support** and **partn***e***r** with parents and the community in ways that will help us achieve our mission
